## CENTRAL CAROLINA TECHNICAL COLLEGE

### QUICK FACTS

#### FALL 2005

### MISSION STATEMENT

Central Carolina Technical College is a comprehensive, public, two-year institution of higher education that is dedicated to fostering a positive environment of teaching and learning for faculty, staff, and students. The College serves primarily the region of Clarendon, Lee, Kershaw, and Sumter counties in South Carolina and confers associate degrees, diplomas, and certificates. College programs and student support services provide citizens, businesses, industries, and communities with quality, affordable, accessible, customer-responsive post-secondary education through life-long learning and specialized training opportunities specifically designed to develop the foundation for personal growth, economic development, and an improved quality of life.

The College's vast array of associate degree, diploma, and certificate programs prepares students to enter the job market, to transfer to senior colleges and universities, and to achieve their professional and personal goals. Specifically, Central Carolina offers academic programs in business, the health sciences, public service, industrial and engineering technology, and the arts and sciences. Through its comprehensive programs and support services, the College annually serves over 4,500 credit students and 10,500 continuing education students in both traditional and non-traditional formats.

(Revision Approved by the Central Carolina Technical College Area Commission, July 21, 2005 and the South Carolina Commission on Higher Education on October 6, 2005)
